

To all of my Friends considering ReviveOH:

My name is Richard Hiltibran and I am a United Methodist pastor from Hancock County, OH. I'm writing this letter today to affirm the ministry of ReviveOhio. It is been my experience that the gift of evangelism is something that most of our churches struggle with. We have been told for generations that good and decent people do not talk about politics nor religion and because of this Christians have never learned a gracious way to share the gospel. If you are anything like myself you have probably preached or heard a good couple of sermons around learning how to share the Christian faith. But in my honesty, I must admit I never gave the churches I have led a practical toolkit that would help equip them in this difficult task. ReviveOhio stands in that gap. The missionaries are driven and passionate Jesus loving, Holy Spirit guided, evangelists who will teach your people how to share the good news of our resurrected Lord and Savior Jesus Christ. Not to mention an opportunity for you in your County to realize that when God says He goes before you it's the truth! I've been doing this for a little over a year now, and every time I strike up a conversation using the Revive methodology Jesus has shown up and thus far every encounter has been a blessing. I want you to experience this blessing personally so please encourage your congregations to be a part of ReviveOhio. And a special challenge for pastors, do it yourselves! I will personally admit that evangelism was scary for me even as a professional Christian and ReviveOhio pushed me way outside of my comfort zone and I have never been happier. So please, get outside of the walls of the church and see how God is moving you'll never regret it.

Blessings,

Rev. Richard Hiltibran
